### CLASSROOM HAPPENINGS

The end of the school year is upon us. There are no major updates or changes in the classroom during these last few weeks. Extensions to many of the concepts are being worked daily. The shelves are full and the children are moving and working at their own pace and with little or no direction from the teachers. The playground is full of flowers, insects, and interesting creatures each day. The children are working with the pulley outside and have really been enjoying blowing bubbles, sweeping out the playhouse, and playing games outside. We will continue to work hard, grow our brains, and enjoy time spent with our friends until the summer break arrives!

The CH has some EXCITING NEWS!!!! We have been approved for a Child Care Strong Act Grant through the Mississippi Department of Health, which is our licensing agent. This amazing award is only for upgrades and repairs to our facilities and to ensure that The CH stays up and running for many years to come. We can't wait to show you the improvements at the start of school in August! Most of the work will be done and completed over the summer break!

## SOUND OF THE WEEK SCHEDULE:
